# Our Mission Statement

Euphoria Loves Rawvolution is the "lovechild" of Matt and Janabai Amsden, a space that combines their shared passions for raw living food, self-transformation, and aligned living.

As conscious beings, we hope to evolve on every level. Food is the fuel for life and we are passionately dedicated to creating and sharing the best food ever. Life is precious! Our commitment is to live to our highest potential and share bliss with everyone.

# Our Environmental Commitment

We are committed to using conscious, planet saving methods in every aspect of Euphoria loves RAWvolution. We never use toxic chemicals in our cafe! We use only compostable takeout packaging. From the forks to the empty plates, everything about our meals is biodegradable. We compost our vegetable scraps, bike to work, use non-toxic cleaning supplies, and recycled office supplies. The wonderful people to whom we serve the world's best food to deserve nothing less.
